**KAREN LEDERER: CHEETO FISH** In paintings and monoprints, Lederer depicts Cheetos and goldfish (the real thing, not the snack). Her eye-smacking colors, simple forms, and contrasting textures wiggle and pop as she ebulliently engages with progenitors such as Matisse. *Through Sept. 22. Grant Wahlquist Gallery, 30 City Center, Portland, Maine. 207-245-5732, [www.grantwahlquist.com](http://www.grantwahlquist.com)*
